Subject : To organize the DSA contest .

Dear Sir,

I hope this application finds you well. My name is Yatndeeep Dubey, and I am writing on behalf of the Google Developer Student Club (GDSC) at Veer Bahadur Singh Purvanchal University. As active members of the student community, we are keen on fostering a culture of learning, innovation, and professional development among our peers.

I am excited to bring to your attention our proposal to organize a Data Structures and Algorithms (DSA) Contest in collaboration with GDSC. Given the increasing demand for strong coding and problem-solving skills in the tech industry, we believe that hosting a DSA Contest would be an excellent opportunity for students to enhance their coding abilities and boost their competitiveness in the job market.

We are open to discussing this proposal further and are available at your convenience for a meeting to address any questions or concerns.
